WellnessMe specializes in Rain Shower Heads including handlebars and brackets for at home. After the great succes on bol.com and our website, we decided to expand to the wholesale market.

Our vision is to offer an easy-to-install Rain Shower Head, including handlebar or bracket. All the products meet European standards (G1/2 interface) and come together with luxury packaging. On top of that, all Rain Shower Heads are water saving and made of Sus304 stainless steel to ensure the quality and lifespan of the product. We offer a variety of colors (mirror, matt black) and sizes (8,10,12 inch) for a competitive price.

Our target group consists of people who would like to have affordable luxury, but don't have the money to buy a full Rain Shower Set.
